Today's Date: Owner Name:

Address: Owner Phone:

City, State, & Zip:

Estimated cost:

-This permit is valid for 30 days-

*The fence shall be of a type commonly known as chain link, and should not to exceed forty-eight (48) inches in height. Any and all types of fencing shall require approval by the Board of Aldermen.

ANY SUPPORT POSTS ON A PRIVACY FENCE MUST FACE THE INSIDE OF THE FENCE

*Two inspections will be required upon approval of the building inspector,
1) FOOTING inspection pole holes should be (30" deep) and **2) FINAL** inspection on completion.

**One (1) copy of the plat plan indicating property lines and location of the structure.

I/We, the undersigned, hereby certify that the information contained in the above application and the attached plans / documents are true, complete and accurate in all details and that no change or deviation from these plans as approved will be made without the prior approval of the Building Commissioner. The City of Dellwood does not routinely survey property to determine property lines or easements and does not assume any liability for plans showing such property lines. The property owner, contractor, and/or applicant will hold the City of Dellwood harmless from any action regarding the determination of property lines or building upon easements.

FOR PRIVACY FENCE: I hereby give permission to allow representatives of the City of Dellwood to enter upon my property twice annually and/or in response to a complaint to ensure compliance with City codes for areas now obstructed from view by the privacy fence after reasonable notice is given to the occupant. It is understood that a Dellwood representative will enter upon my property after reasonable notice is given whether or not I acknowledge or receive said notice.
